## ANOTHER MILLION SOLDIERS GRANTED WITHOUT DISSENT

(Continued From First Page.) siderable sum had been spent to se-cure the control of the railroads to the government, and the expenditure included provisions for refugees.

FAR GREATER BULK

With regard to the purposes of the new credit the far greater bulk of this would be for army and navy expendi-tures, the Premier said. The civil ley would be largely for the purose of getting food supplies and for
irther commodities necessary for the
ritish, the use of which must be
ade impossible for the enemy. Anther large item was made up of loans
if money to others, amounting to
15,000,000. The principal items in
the list were to the Belgian governent, \$50,000,000, and to Servia, \$4,10,000, on which no interest was to
the charged until the end of the war,
ther loans to the self-governing doinions of Canada, South Africa, Ausalla and New Zealand, countries
thich under ordinary circumstances
ould be compelled to borrow in the
ondon market, would account for
151,250,000 of, the new credit, for the
casen that the government has undertasen the responsibility of raising
anas for these dominions.

Regarding the cost of the war, Preler Asquith said he declined to dive
to the future or speculate on what
commitments it night be necessary for pose of getting food supplies and tother large item was made up of loans
